

A Funeral Directors Gift to the Living...

We thank you for the confidence you placed in us by allowing us to handle your loved ones funeral service. It is our sincere commitment to meet the highest standard of funeral service by providing personal service and attention to the needs of the family. Our most important responsibilities are to professionally and appropriately support and guide you before, during and following the loss of a loved one.

As a continuation of care, we are providing you and your family with access to the series of books titled, "The Family Care Series". The series consists of five books. Each book addresses issues some people face during the first year of grief. The series will provide you with suggestions for coping with the many changes brought about by loss. Our hope is to support you during this difficult time.

If you need any assistance, our aftercare coordinator, Linda Findlay, is available to talk to you at any time. She can be reached at 315-725-6132 or email: LF6643@yahoo.com. You are welcome to call at any time to receive confidential assistance.

Our Hope Is To...

- Show our continued concern for your well-being.
- Provide reading material about the grief process.
- Raise awareness of the impact that grief has on families and communities.
- Provide continued support and understanding.

We promise to do whatever we can to continue providing you with the attentive and caring services that you expect and deserve.

Thank you again for placing your trust in our funeral home. We may contact you from time to time to stay in touch and explore other ways we might be able to assist you. In the meantime, if you need anything, please let us know.
