

PHOTO ALBUM OF MY MIND

BY JEANNE LOSEY

The photo album of my mind,
holds treasured thoughts of you.
And I can almost see again
the things we used to do.

I hear your voice, I see your smile,
I feel you close to me.
The photo album of my mind
shows how we used to be.

Time may have changed us through the years,
but I will always find,
you're just as I remember in
the album of my mind.

And, as I turn page after page,
such precious scenes I see,
the photo album of my mind
is very dear to me.

It holds the pictures of our past,
like reels of film unwind.
I cherish all those photos in
the album of my mind.
